## Need-Based Scholarship Application

Dear Applicant,

Thank you for applying for the Need-Based Scholarship! This scholarship is for individuals and families who might not be able to otherwise afford private lessons with a net income of \$60,000 or less. This will reduce the cost of study by \$15 per lesson, making this scholarship worth approximately \$780 per year. With limited slots available, they are awarded on a first-come, first serve basis and must be renewed annually. Scholarship recipients are expected to be leaders in the studio so their first name, photo, or short videos may appear in fundraising efforts to secure scholarships for future students or funding for the studio in general. Scholarship recipients must take 60 minute lessons on a weekly basis. Feel free to email me if you have any questions!
